

Get the full story before you invest

First Advantage's BackTrack® Report has been an industry leader in investigative due diligence. We've helped thousands of companies and investors around the world conduct thorough background investigations on high-level individuals as well as their companies or funds.

Types of investigations can include:

- **Pre-Investment Due Diligence on Fund Managers**
(Hedge Fund, Private Equity, Venture Capital, Real Estate, etc.)
- **Research into parties of M&A/Leveraged Buyouts**

With BackTrack®, you get a staff of investigative journalists and licensed investigators working on your behalf to provide you with a comprehensive analysis of the people and entities with whom you plan to invest.

Our process includes:

- Extensive Multi-Jurisdictional Litigation Searches
- Professional and Education Credentials Verification
- Corporate & Regulatory Record Reviews
- Comprehensive News & Media Searches
- Global Watch Lists
- Motor Vehicle Records
- Credit Checks
- Interviews
