

BACKTRACK REPORTS A First Advantage Product

INTRODUCTION

First Advantage pioneered the concept of due diligence and has the longest available historical records in the industry. Since 1993, First Advantage Investigative Research has covered over 9,000 funds as an established industry leader in the field of investigative due diligence.

COMPETITIVE ADVANTAGE

Global reach to 200+ countries

Licensed for all required jurisdictions

100% coverage of the top 100 hedge funds in the world

OUR CLIENTELE

With our investigative expertise and attention to detail, we've earned the trust of a discerning clientele comprised of:

Venture capital firms

Law firms

Funds of funds

Investment banks

Private equity firms

Consultants

Our clients rely on the BackTrack Report to evaluate risk before entering into key financial transactions, lending relationships or before making senior hires.

AREAS OF EXPERTISE :

- Mergers & Acquisitions
- Investment Due Diligence
- IPOs

TIMING :

More often than not, you will receive a preliminary report within 1 business day.

QUALITY :

We have a comprehensive database that we're constantly updating.

HISTORICAL REACH :

We have court records that have since been discarded by the courts and we've verified work histories most companies no longer retain.

ECONOMIES OF SCALE :

We have over 300 investor clients so we have deep expertise in the funds you're likely already invested in.
