Number of live scan fingerprint collection sites across all 50 states and Washington D.C. that are included in our collection site network

1 COLLECTION SITE

Both fingerprinting AND drug testing collection can happen at the same site

One and DONE

Submit a single set of fingerprints to multiple regulatory authorities, reducing both your cost and the order turnaround time. First Advantage checks the client database for valid prints that can be repurposed and then, if valid prints are not available, the system will allow the applicant to schedule an appointment for fingerprint collection.

First Advantage is an Approved FBI Fingerprint Channeler
