

Why Volunteer Screening Matters

Volunteers and staff are often the “face” of your mission. Without them, it’s hard to operate at your best. That’s why background screening is a critical step toward ensuring the safety of the individuals your mission is designed to serve.

VolunteerForce Can Help:

- **Create a culture of safety and inclusion** by screening individuals who work and volunteer on your behalf
- **Set screening standards** to help ensure those who represent your brand meet your screening expectations
- **Quickly access results** to help verify a volunteer’s readiness
- **Protect your reputation** by mitigating risks associated with those who represent your brand

VolunteerForce Can Help:

First Advantage is a one-stop shop for the variety of screening needs facing your organization. Directly through our VolunteerForce platform, you can request:

- Criminal record checks (global, federal, national database, statewide, county-level)
- Sex offender registry search
- Driver’s license check
- Education and academic qualifications check
- Employment history check
- Global watch lists and sanctions search

>40%

Individuals with criminal records who committed an offense in a state other than where they were applying to volunteer¹

\$50B

The amount of money employee theft costs U.S. businesses each year²

43%

Millennials who currently volunteer and prefer the convenience of screening through a mobile device³
