

Keep Your Drivers and Vehicles Road-Ready with Compliance and Risk Management Solutions

Ready to Save Time & Money?

Automate your driver and vehicle compliance processes with RoadReady✓[®], a configurable tool that delivers consistency, accuracy and processing speed to help you manage Driver Qualification and Vehicle Compliance programs with ease.

One Partner. Many Choices.

Designed to optimize the costs and lighten the administrative burden of managing complex requirements, RoadReady✓ helps you streamline both driver and vehicle compliance obligations while working with a single, cost-efficient partner to drive one or all of your compliance and risk management programs.

A Proven Track Record

As a trusted partner to leading private and for-hire transportation companies, First Advantage brings a proven track record of keeping drivers and vehicles road ready. Ask how RoadReady✓ can help you reduce risk, support best practices, improve safety and stay compliant.

Save time by taking days off the creation of driver compliance files

Save money when you consolidate driver and vehicle compliance processes

\$56.7 Billion

The employer cost of motor vehicle crashes¹

\$24,201,380

Total carrier fines by Federal Motor Carrier Safety Administration (FMCSA) in 2019²

40%

40% of vehicle accidents are work-related³

² FMCSA

³ MOTUS

“We love MVR monitoring because it provides us with a daily confirmation of driver status.”

—Christopher Faltisko, Sr. Manager, Safety Health Environment
US Foods

Keep Your Fleet RoadReady✓

Whether you have just a few trucks or hundreds of vehicles in your fleet, RoadReady✓ offers a fully-managed, cloud-based vehicle compliance software platform designed to keep your commercial motor carrier fleet compliant, productive and profitable.

Reduce your administrative burden with a reliable transportation partner who can help make sense of compliance and risk management, including:

- Registration Renewals and Permitting
- Fuel Tax Reporting (IFTA or International Fuel Tax Agreement)
- IRP (International Registration Plan) Registrations
- New Equipment Titling & Licensing
- Title Management and Re-titling Projects

Reduce Compliance-Related Risks

You're not alone when it comes to managing your driver- and vehicle-related compliance obligations. RoadReady✓ helps alleviate the heavy administrative burden of managing compliance requirements and provides a snapshot of your safety and compliance health.

- Department of Transportation (DOT)
- Federal Motor Carrier Safety Administration (FMCSA)
- International Fuel Tax Agreement (IFTA)
- International Registration Plan (IRP)

Always know where your transportation regulatory compliance stands with RoadReady✓.

Keep Your Drivers RoadReady✓

When you need to hire someone new, rehire a driver or maintain the driver qualification file of an experienced, veteran driver, RoadReady✓ can help!

Optimize the costs and relieve administrative burdens of complex regulatory compliance and driver monitoring when you partner with an industry leader who has decades of regulatory expertise, combined with best-in-class technology designed to help you manage risk and reduce driver-related liabilities.

- Driver Background Screening
- Driver Qualification Files Management
- Driver Drug & Alcohol Testing + Random Testing Programs
- Driver Physicals & Occupational Health Screens
- MVR Monitoring, Reports Integrated to DQ Files
