

A Complete Compliance Solution for Your Drivers and Vehicles

Ensure Your Business is Road Ready

RoadReady[✓]™ is a complete solution for managing the compliance of your DOT and non-DOT drivers—as well as your corporate vehicles—to limit your risk and ensure that your business is always road ready.

One Vendor. Won Efficiencies.

Our service optimizes the costs and lightens the administrative burden of complex regulatory compliance, licensing and paperwork. Maximize your investment with one cost-efficient partner to drive one, comprehensive program view.

Fuel a More Reliable and Efficient Program

First Advantage is a trusted partner to leading transportation companies with a proven track record of keeping drivers and vehicles road ready. Free up your staff to focus on other important tasks—and leave Driver Qualification Files (DQF) management and fleet title, registration and permitting (including managing mileage and fuel taxes) to a team of experts working on your behalf.

\$56.7 Billion

The employer cost of motor vehicle crashes¹

\$24,201,380

Total carrier fines by Federal Motor Carrier Safety Administration (FMCSA) in 2019²

Drive a Customized Compliance Management

Our team of experienced professionals can work with you to build a customized compliance program with any or all of the following:

- Department of Transportation (DOT)
- Federal Motor Carrier Safety Administration (FMCSA)
- Federal Aviation Administration (FAA)
- International Fuel Tax Agreement (IFTA)
- International Registration Plan (IRP)

Simply put, our single solution can easily be configured to meet the specific needs of your unique business model!

Keep Your Fleet RoadReady✓

Whether you have just a few trucks or hundreds of vehicles in your fleet, RoadReady✓ offers a fully-managed, cloud-based vehicle compliance software platform designed to keep your commercial motor carrier fleet compliant, productive and profitable.

Keep your vehicles and other equipment compliant while reducing your administrative burden with a reliable provider of transportation solutions to help make sense of the licensing, permitting and reporting requirements.

- Vehicle Licensing, Renewals, Permitting and Registrations
- IFTA Fuel Tax Reporting
- IRP Registrations
- New Equipment Titling
- Title Projects

Keep Your Drivers RoadReady✓

When you need to hire someone new, rehire a driver or maintain the driver qualification file of an experienced, veteran driver, RoadReady✓ can help!

Optimize the costs and relieve administrative burdens of complex regulatory compliance and driver monitoring when you partner with an industry leader with decades of regulatory expertise, combined with best-in-class technology designed to help you manage risk and reduce driver-related liabilities.

- Driver Background Screening
- DQF Management
- Driver Drug & Alcohol Testing
 - Including: Random testing programs
- Driver Physicals & Occupational Health Screens
- MVR (Motor Vehicle Records) Monitoring
 - Integrated to DQ Files

Are You Road Ready?
