

XtdForce™ — Extended Workforce Screening Solution

Safeguard Against Extended Workforce Risks

Extended workforce-based risks are a growing concern for businesses. With an ever-growing increase in indirect workers, as much as 40% according to the latest reports, the fact is, you may not know your extended workforce as well as you think. Those who abuse the trust placed in them are costing businesses billions each year in financial and reputational damages.

Detection & Prevention Cost Far Less

There's a firm case for taking this threat seriously and enacting prevention procedures. For businesses that want the best people representing their brands at every opportunity, XtdForce™ can help detect potential risks with secure monitoring.

Deploy Quickly

Your time is important. Get up and running with little effort. Efficient, mobile workflows make XtdForce the preferred choice among leading brands for background checks and continual monitoring of their extended workforces. Ask us how you can get started too!

Save Money

XtdForce manages the work for you. This best-in-class technology delivers real results without the time-consuming and costly demands of incomplete tools or manual searches.

Three Simple Steps

A fine-tuned process streamlines the procedure into three easy steps:

- 1. Get a Branded Portal** – Let us do the heavy lifting!
We create a unique user portal to your specifications.
- 2. Raise Your Standards** – Delivering the best customer experience possible requires consistency. Have your workforce, contractors and vendors use the dedicated portal for all screening and monitoring.
- 3. Receive Verified Alerts** – Receive alerts only when there is confirmed criminal activity data.

Elevate Your Standards

Is your brand represented in the best possible light? Ensure you always have professional, qualified representatives who maintain a positive image.

Digital Badging for Work-Readiness

Instant digital badging options bring you the most powerful evidence of up-to-date screening and monitoring activity. With XtdForce you get the peace of mind of knowing your extended workforce is work-ready. Its “on/off” functionality makes requesting a new badge or suspending an existing one far less complicated than traditional badging. Ask us for a personalized demo.
